## What Is Netzach?

### An Easy and Affordable Way to Support Your St. Louis Kollel...All Year Long!

“Netzach” (an acronym for the words Nosain Tzedaka V’Chessed; those who perform acts of charity and kindness) is a new program which allows you to make a simple monthly pledge, conveniently dividing your yearly contribution into twelve easy-to-manage payments. By dividing your pledge into smaller amounts, you are free of the strain of making a large gift each year. That means less strain on your wallet, and greater cash flow for us, so we can continue to consistently bring you the quality programs you have come to know and expect from your St. Louis Kollel. Your monthly Netzach pledge via head checks, credit card or on-line bank check can be designated to support any of our fund-raising programs or events. Join the Netzach Pledge Program today and take your place in eternity!

Your Name Will Be Engraved On Our  
Wall of Honor as a Lasting Tribute  
to Your Vision and Generosity
